

# Notes How To Read Your Bible Week 2

## Interpretation

Equip's Goal: To teach you the Bible, doctrine, theology, and how these apply to your life, in order to glorify God.

“Facts are stupid things until brought into connection with some general law.”

– Professor Louis Agassiz

No connection, no meaning.

### Observation

1. Probe
2. Discovery
3. Depicting what is there
4. Explore

### Interpretation

1. Mull
2. Digesting
